

COMMUNITY MOBILIZATION

Education is a social process. It is of, for and by society. Society at large hopes for and expects a safe and prosperous future. It is expected that the quality of human life improves Generation after Generation. The formal arrangement of school undoubtedly strives for it, but the quality involvement of and by community in the process of Education is the need, as ours is a country with a demographic dividend.

Goa Sarva Shiksha Abhiyan performs its bit in this area.

Goa being a state where educational awareness is much higher compared to most of other Indian states, already has the SMCs in place. All the Govt. and Govt. aided schools have the SMCs and the term of each SMC is 2 years.

District	No. of SMC Govt.	Govt. Aided
North Goa	563	336
South Goa	358	235
Total	921	571
