SMC came forward to give Admission to Out of school children

Laksha Patil , Ganesh Patil and Vaishali Lohar were out of school. Our BRPs Mr. Vithal Audienkar and Mr. Subhash Lotlikar along with SMC conducted survey and admitted these children to Government High School Ambaulim.

There are many cases where either the SMC or a member of SMC has made efforts to mobilize community support for their respective schools.

SMC of GPS Kantar Dhabdhaba Bicholim approached the land owner and got about 200 sq.mts. of land in the Municipal area, free of cost, to construct a toilet for the school. Another SMC member from the same school donated DVD player to the school. The SMC has started a system of lending gadgets like TV, Sound systems, cameras free of cost whenever the school is in need of these things. The SMC members have made the provision of newspapers for the school children. Some parents have made it a point to read the book from the book shelf of the school and narrate the stories to the children.

There are innumerable such examples.

The Block Resource centre Mormugao organized a programme as a part of the Swachha Bharat, Swachha Vidyalaya movement under Community Mobilization.

1. Children of all the schools prepared greeting cards on the theme cleanliness. The best among them are being sent to local MLA, PRI members.
2. Children prepared slogans bringing out the importance of cleanliness.
3. Waste management is the key to cleanliness and so prepared beautiful articles out of waste paper, shells of different nuts and even the wasted plastic bags.
4. Posters were prepared on the theme cleanliness is next to godliness.
5. Paintings were made highlighting the theme.
6. The most fascinating thing was the CWSN along with the other children participated in the skit, street play, dance to spread the message of cleanliness.

7. An innovative programme being conducted in the state since last year is a programme named cleanliness drive which includes cleanliness in/at the school their seat, toilets, labs, libraries, playground, classrooms, corridors, connecting road to the school, auditorium, store rooms, etc. in which the SMC members Non SMC parent members, PRI, parents participate in a month long programme. Still the reports are being received from different schools. So far 1,32,000 parents, students, teachers, PRI members, SMC members have participated in the cleanliness drive.

In addition to this, special talks are being arranged as a part of the programme on the following themes:-

- 1 Personal hygiene and cleanliness
- 2 Waste Management- key to cleanliness are among the programmes.
